Re: Peter G. McGrath (DOB 6/28/61)/NH Bar ID 5564

Dear Office of Bar Admissions,

I am a retired Marital Master (family law magistrate) for the New Hampshire Judicial Branch. For 24 years, I was assigned to hear family law cases primarily in Merrimack County, NH. Attorney McGrath appeared before me on numerous occasions over about fifteen years, representing persons in divorce, custody, and child support cases.

In that capacity, I have observed Attorney McGrath to be a zealous advocate for his clients, while observing the rules of professionalism and civility. He has a keen knowledge of the law and handles his cases with competence, conscientiousness, and compassion. He also maintains and supervises an active and sought-after law firm, which provides excellent service to clients throughout the state.

I am happy to recommend him to you as a new member of the South Carolina bar.

Sincerely,

Deborah Kane Rein
